

VP SERIES

HEIGHTENS NON-HAZARDOUS HAULING

Pac-Mac takes non-hazardous hauling to the next level with the introduction of its VP Series. The VP Series delivers cutting edge technology to any operation involving the oilfield, septic, grease trap, or non-hazardous liquid and sludge transport service. With numerous adjustments, from vacuum system options to valve setups, Pac-Mac's innovative designs make every job more enjoyable.

Do It Right with Pac-Mac!
